K. Collins

Introduction

These famous quotes about life and success are said by the greatest achievers in the history. They are valuable knowledge, wisdom and insights passed down to us from the past all the way to the present. Through these quotations, we are learning from their greatest experiences and wisdom.

I personally use such motivational quotes throughout my life. I always surround myself with these quotes. I post them in such places so that I can be inspired every day. I believe that our circumstances can change based on what words we read, hear, and speak.

Instead of keeping these to myself, I decided to compile 200 of the most inspiring quotes ever said so that you can also benefit from these words of wisdom. Some are by famous people and some are by those you probably never heard of but their quotes are in the same way remarkable.

I trust you will find them insightful and useful. I hope it helps to motivates and inspires you to reach a new level of success and personal greatness in your life. Just as much as it does for me. Use these quotes to fill your life with positive, inspirational words that will fuel the engine of your mind.

I certainly hope that you will also see this as a resource rather than just a quick article to read. I encourage you to save this as a resource so that you can come back to it when you need to be motivated. Even reading one or two of these every day will be a great source of positive energy for your day to day life.
